

# LuxCore™ *A new dimension in translucent laminates*

Autumn Grass Translucent Panel

Green Bamboo Laminate (backlit)

(left to right) Weathered Bamboo Rings Black Laminate, Twigs Translucent Panel, and Blue Beech Leaf White Laminate

*LuxCore can be a translucent panel or a laminate, which can be backlit*

## Applications:

- Perfect for kitchens, bathrooms, and other wet environments, as it passes sanitary codes, is easy to clean, and not damaged by water.
- Can be used for most vertical and horizontal applications.

## LuxCore Laminates:

- Suitable for backlighting
- Can be used as wainscot or wallcoverings, where high abrasion and impact resistance are vital; such as hospitals, restaurants, grocery stores, table tops, elevators, restrooms and other interior applications where laminates are desired.

## LuxCore Translucent Panels:

- Suitable for modesty panels, room dividers, shower enclosures, and other interior applications where translucency is desired.

## Features:

- Endless combinations in translucent and opaque designs
- Ultra Rigid
- Chemical and Abrasion Resistant
- Choose from our library of finishes, or submit your own for a completely custom look
- Orientation and color of all designs can be modified to your specifications
- 4' x 8' , 4' x 10' sheets in .060" , .125" , .250" and other thicknesses and sizes available as special order
- Sample kits available, please inquire at 800-849-1320
- Lowest industry price with no minimums
- Made in the USA in an ISO certified facility
